The AMP series offers exceptional value and many features that will make their installation and use easy and convenient.

AudioSource AMP-100 Stereo Amplifier - Newegg.com
The sub is not quite as loud as the factory 450 watt version; However, the Audiosource AMP-100 rocks out with a clarity that the other unit did not provide. The amp will shake the windows and bother my neighbors:) I never have the amplifier turned up past 75% of the total volume (to loud at that point).
