Automatic to Manual Transmission Conversion - WILD HORSES ...

Automatic and manual transmissions both require a coupling device, a piece of equipment that is used to connect and disconnect the transmission and the engine as needed. In a manual transmission, that piece is called a clutch, and in an

Read Book Automatic To Manual

automatic transmission, it's a torque converter. In order to swap your automatic transmission for a manual (or vice versa if that's your objective), you'll need to disconnect the current coupling material and install the new one.

Automatic to Manual Transmission Swap | CJ Pony Parts

However, if you can

Read Book
