### toulouse747.com

The Boeing 737 Technical Guide is available as an eBook. For several years I had resisted requests to make an electronic version of the guide because to me the electronic version was the website... then I got an iPad of my own and changed my mind! The eBook was made by Lulu, the sellers of the book.

### The Boeing 737 Technical Guide - eBook

The closest thing to the quick reference handbook for the 737 is the Cockpit Companion by Bill Buffer (only for reference and not to be used in place of current aircraft manuals). The 737 has an excellent fault isolation manual / trouble shooting section if you compare to the 146 so this is usually your first port of call. Hope this helps.
