### **Black Gods: Orisa Studies in the New World by Gary Edwards**

Gary Edwards wrote Black Gods: Orisa Studies In The New World. In my review I mistakenly listed John Mason as author. I stand corrected. This is one of the, if not the BEST book, on the subject. Very easy to understand and one can easily see the interconnected relations between the Orisa. Gary, Please accept my apologies. Thank You.

Black Gods: Orisa Studies in the New World This is a great African spirituality book for those interested in learning more about the Yoruba system (properly called Ifa). I found this book very easy to understand and you will be able to easily see the interconnected relations between the Orisa - the spiritual forces that exist in the world around you.
