RV Life and Travel Reader David writes... We are looking at a diesel and want to know. Does Cat or Cummins get better MPG? Which is the quietest? Which size engine for which size coach? Wow, David, that's quite a bunch of questions! With the information you've given me, there are absolutely too many variables to definitively answer those questions.

### **Caterpillar or Cummins? - RV Life and Travel**

The CAT C7 was really the first heavy duty diesel engine to offer a greatly expanded ECM or electronic computer module. The ECM is the same hardware as previous electronic engine generations just upgraded to handle more systems. Using an advanced 120 pin connection the amount of information the computer was able to process was astronomical.
