Mack Mp7 Engine Problem

2008 Mack MP7 fuel problem, motor acts like it is running out of fuel or getting air in it at a idle. As long as you keep rpm's up it runs fine. Replaced fuel transfer pump, checked fuel lines, replaced filters, fuel filters stay full of fuel. Truck has no codes.

2008 Mack MP7 fuel problem, motor acts like it is running out...

I have a 2007 mack ctp713 with a mp7 motor. The motor has been running rough for the past few months. it idles fine. we have had it at a shop and they changed the egr valve , and cleaned the egr. they also changed the #6 injector. it started doing the same thing 2 days after we left the shop.

I have a 2007 mack ctp713 with a mp7 motor. The motor has ...

engine is a MP7 In a mack cxu, idles good, throttle response is o.k. seems to have flat spot in engine, no engine codes, boost pressure wont go over 6lbs, also engine willl get to 50MPH o.k. but very hard to get truck to go over 50MPH, will go above 50 takes forever, all filters have been changed, forgot to mention has DPF, had DPF cleaned out have checked all CAC hoses, viisual of over all ...

Engine is a MP7 In a mack cxu, idles good, throttle ...

Thinking long shot here and looking for advice. A week ago I blew off a radiator hose and lost my antifreeze. Hose wasnt busted blew off the radiator on top. Put it back on, let it cool down for two hours and filled it with water and ran it on home. Left out two days later on a 300 mile run...

2006 mack ,mp7 engine. 2007 mack,mp7. 2007 mack,mp7. black 2007 mack,mp7. black smoke only when shifting.do not smoke when idling.there is no air leak turbo is ok no oil visible.on the exhaust manifold there is a small amount of oil coming out.

I have a 2007 Mack Granite with a MP7 engine. The model ...

The Mack MP8 13-liter engine at first glance seems to be very similar to any other modern day diesel power plant. It uses the standard emissions devices including the EGR system, DOC (Diesel Oxidation Catalyst), DPF (Diesel Particulate Filter), electronic injection and VGT (Variable Geometric Turbo). But, behind the scenes are some interesting details that make the engine unique.

Understanding the Mack MP8 - Engine Builder Magazine

Id stay away from the MP7. When i turned wrenches for the garbage company a few years back, we had a couple of brand new (at the time) 09 Mack MRs. They had the DPF system and spent more time on the back of a hook than picking up trash

Help me choose: Paccar PX-7, Cummins ISX 12L, Mack MP8 ...

I have a 2009 Mack Pinnacle with mp8 engine, the problem started 2 days ago pulling a light load. I lost power, thought it was going to kill ran bad for a while, then good for a while, off and on. Could this be the fuel pump? Show More. Show Less. Ask Your Own Medium and Heavy Trucks Question.
