The Long Descent: A User's Guide to the End of the ...

The Long Descent is one of the Greer fans will recognize many of the book's passages from previous essays, but will be delighted to see them fleshed out here with additional examples and analysis. The Long Descent is one of the most highly anticipated peak oil books of the year, and it lives up to every ounce of hype.

The Long Descent: A User's Guide to the End of the ...

The Long Descent traces out the ragged course of decline that has brought every previous civilization to its end, and is doing the same with ours. It takes the average civilization one to three hundred years to descend from its peak into a dark age out of which new civilizations will be born, and that same process is visibly under way in our own lives.
