One of gaming's most infamous instruction manuals, the booklet for StarTropics (1990), an action-adventure game for the NES, features one of the most engaging and striking uses of meta in a video game (meta refers to something outside of the actual game). Attached to the game's manual was a yellowed piece of paper, supposedly resembling parchment, that held a secret code within its fibers that could only be seen when some water was rubbed over the paper.
