Weeds in Nana's Garden: a book review | Intentional Living

Weeds in Nana's Garden by Kathryn Harrison is a children's story about a young girl who enjoys helping her grandma in her garden year after year. One year, weeds start to grow very tall in the garden and Nana is unsure about if they should be pulled. With the help of her granddaughter, the weeds are pulled and the garden continues to be beautiful. The story goes on to explain that Nana also has weeds in her mind that don't allow her to do everything she once did.
