### Whos In Charge Free Will

For an excellent philosophical discussion of free will that follows up very closely on Who's in Charge, see Freedom Regained by Julian Baggini. Baggini even quotes Who's in Charge in his own book. To understand both the science and philosophy of free will, I highly recommend Who's in Charge followed by Freedom Regained.

Who's in Charge?: Free Will and the Science of the Brain (Unabridged) audiobook, by Michael S. Gazzaniga... The father of cognitive neuroscience and author of *Human* offers a provocative argument against the common belief that our lives are wholly determined by physical processes and we are therefore not responsible for our actions.

## **Who's in Charge?: Free Will and the Science of the Brain ...**

A belief in free will touches nearly everything that human beings value. It is difficult to think about law, politics, religion, public policy, intimate relationships, morality—as well as feelings of remorse or personal achievement—without first imagining that every person is the true source of his or her thoughts and actions.
